This December there are at least

# 500,000

very good reasons to March for Life in Wellington.

More than 40 years have passed since parliament declared that SOME unborn children do not have a right to life. Now, in 2023, NZ has one of the most liberal abortion laws in the world. **EVERY unborn child has been stripped of the right to life** and can legally be aborted up to birth.

Countless women and families carry the hurt and wounds of abortion. We know we can do better than this.

**March for a New Zealand where the beauty and dignity of every human life are valued and protected from conception.**

The aims of the March for Life are to:

- **Celebrate** life.
- **Remember** the more than 500,000 pre-born babies who have lost their lives to abortion.
- **Increase public awareness** of abortion, and its impact on women, families and society.
- **Peacefully protest** the practice and legality of abortion.
- **Bring all New Zealander's of good will together at Parliament**, united in the one common vision of making abortion unthinkable.
